Dear Polly,

Thanks for coming to our school to perform for us. I think you ~~are~~ are a very talented bird. You're a very pretty salmon crested cockatoo. I like the way you cough wistle, jerk your head, jump around, + mimic. Too bad you can not fly. It's amazing how strong your beak is. For being 60 years old you're very active. Thanks again! I think you should get a lot of striped sunflower seeds for performing so good.

Sincerely,
Corinne Perry

P.S. Say 'Hi' to Thelma,
Edger, + Ralph for me,
O.K.?
